

Call for Proposals

87th Annual International Conference of the Association for Business Communication

October 3-8, 2022 Tampa, Florida USA (In-Person and Virtual)

Reconnecting and Reengaging our Research, Teaching, and Networks

Today's environment is in flux...we have faced changes in how we teach, nurture scholarship, and network. This calls for us to reconnect and reengage with our research, students, colleagues, and corporate partners.

Join colleagues from around the world to share scholarship in teaching, research, and consulting. We encourage proposals that reflect on how we, as professionals in business communication, might reengage with our research, innovate our teaching, and reconnect to our networks of colleagues and peers. We invite you to submit a proposal on a business communication topic in one of the following tracks:

Diversity, Equity, and Inclusion
Employment Issues
Executive/MBA
Innovative Instructional Methods
Intercultural and Global Communication
Interpersonal Communication

Organizational Communication
Rhetoric
Scholarship of Teaching and Learning
Social Responsibility
Technology, Digital Media, and Web 2.0
Visual Communication
